Homebound Services Application Form

The library offers a book and audiobook delivery program for its homebound patrons with a valid New City Library card.

After submitting this questionnaire, we will select two titles and mail them to you in a specially-designed cloth bag via the U.S. Postal Service. The checkout period will be six weeks from the time of mailing. When you return the books, we'll mail you another two titles. We will record the books you have read in order to avoid duplication. Your selections will be limited to materials New City Library owns that are in our 28-day collection.

Homebound Services was designed for people who cannot come to the library on a regular basis. Determination of eligibility for this service is solely at the discretion of the library.

Date of Application _____

Name _____

Address _____

Phone # _____

Email _____

Library barcode (from back of card) _____

(If you do not have a library card, please apply with the enclosed application.)
